

Arizona AALAS Needs You!

The state of Arizona is the 6th largest state in the country and AZAALAS is the only AALAS branch in the state. As such we have had to develop some innovative methods to service all our members who are so widely spread throughout the state. Therefore, AZAALAS is looking for sponsors to help us defer some of the costs for various branch events.

We would like to service all members by continuing to:

- ☉ publish our newsletters and other publications & develop and maintain our website (www.azaalas.org),
- ☉ bring in quality speakers for our video conference branch meetings (Spring & Fall) & symposia,
 - ☉ celebrate our installation and awards event (December),
 - ☉ develop training sessions for certification,
- ☉ support quality animal research & Biomedical Research Day observance.

WOULD YOU LIKE TO (RE)JOIN THE ARIZONA BRANCH OF THE AMERICAN ASSOCIATION FOR LABORATORY ANIMAL SCIENCE?

Arizona has had a branch of the American Association for Laboratory Animal Science since July of 1985. For those not familiar with this organization, AALAS was set up to benefit those involved with laboratory animal science and serves as a clearing house for the collection and exchange of information on all aspects of the care and management of laboratory animals.

ARIZONA BRANCH MEMBERSHIP APPLICATION

I hereby apply for membership in the Arizona Branch of the American Association for Laboratory Animal Science.
